---

COMMISSION TRACKING & BOOKING PROCEDURES

For Staff When Customer Calls:

1. **Listen to Request:** What activity/service are they interested in?
2. **Check List:** Find matching partner in this document
3. **Coordinate:** Contact partner directly using provided information
4. **Confirm Details:** Dates, times, group size, special requests
5. **Quote to Customer:** Provide price (partner price + your commission)
6. **Book:** Confirm with partner and customer
7. **Track Commission:** Log booking date, partner, amount, commission earned
8. **Follow-up:** Ensure customer satisfaction, gather testimonials

Commission Calculation Example:

- Partner charges: 1,000 baht for kayaking tour
- Your commission: 25% = 250 baht
- Customer pays you: 1,250 baht
- You pay partner: 1,000 baht
- Your profit: 250 baht

Key Message to Customers:

"We handle all the coordination so you get a seamless experience. Just call us, tell us what you want to do, and we'll arrange everything. Our partners are trusted, vetted, and we personally recommend them."

IMPORTANT NOTES FOR STAFF:

1. **This is NOT public information** - Keep this list internal only
2. **You are the gatekeeper** - Customers don't see partner details, they see you
3. **Quality control** - Ensure partners deliver excellent service (reflects on us)

4. **Testimonials** - Collect feedback from customers after each booking
5. **Commission tracking** - Keep accurate records for accounting
6. **Relationship building** - Develop strong relationships with partners for better rates
7. **Exclusive partnerships** - Try to get exclusive rates/commissions where possible
8. **Customer satisfaction** - You’re responsible for the entire experience

---

NEXT STEPS:

- [ ] Contact each partner to confirm current pricing and commission rates
- [ ] Get direct contact numbers and WhatsApp for each partner
- [ ] Establish exclusive commission agreements where possible
- [ ] Create customer testimonial collection process
- [ ] Set up commission tracking spreadsheet
- [ ] Train staff on booking procedures
- [ ] Create FAQ for common customer questions
- [ ] Develop contingency plans for partner unavailability
